According to *The Hollywood Reporter*, WE announced today it will air a docusoap starring Joan and Melissa Rivers. But the Rivers won't be the only mother-daughter team on the network — Along with *Mother Knows Best*, WE plans to air a show called *You're Wearing That?!*, which features mothers and daughters talking about one another's wardrobes.

WE revealed four other shows on their programming slate: *Fix My Family*, a reality show about a doctor trying to heal flawed relationships; *Girl Meets Gown*, a bridal shop docusoap; *Sunset Daze*, a retirement complex docusoap; and *Downsized*, which follows a family dealing with unemployment.
